

## 36" Grill, LPG

Series 7

Stainless Steel | LPG

Designed with flexibility in mind, DCS Grills allow you to cook a wide variety of meals and are engineered to deliver the functionality and power demanded by a professional chef.

\*Available in Natural and LP Gas. Grill Cart pictured sold separately.

- Hand-finished to perfection to complement the quality of the DCS premium outdoor kitchen
- Built to withstand the demands of the serious cook and the extremes of mother nature

### DIMENSIONS

Height	24 1/4 "
Width	35 7/8 "
Depth	26 5/8 "

### FEATURES & BENEFITS

#### Precision Heat And Control

A DCS Grill puts you in control of up to a massive 92,500 BTU per hour total power. That power lets you choose the precise heat you need from a low and slow 300° up to an intense 1100°. DCS Grills do more than help you grill an incredible steak, you can infuse smoke into your favorite meal using the built in smoker, or close the specially designed hood and use the power of convection to cook the perfect pizza. DCS Grills put you in control, giving you the versatility to cook what you want.

#### Double-Sided Cast Stainless Steel Grates

One side has a gentle radius for handling delicate foods. The other side is W-shaped for perfect sear lines while channeling oil away to an easily removable drip tray.

#### Grease Management System™ Grease Channeling Technology

This patented technology reduces flare-ups by directing grease and oils away from the burner flames during grilling.

#### Smart Beam™ Grill Light

A halogen light is designed to illuminate the entire cooking surface for perfect night grilling.

#### Temperature Gauge

Designed for monitoring temperatures when cooking pizzas or when using indirect heat from adjacent burners, for preparing roast meals.

#### Dedicated Sealed Smoker

A dedicated smoker tray with a direct 3,500BTU burner offering a clean, convenient option for specialized smoking recipes.

### SPECIFICATIONS

#### Accessories (sold separately)

6" accessory storage	ASH6-36
Built-in grill cover	ACBI-36
Griddle plate	BGC-GP (optional)
Hybrid IR burner	BGC-IR (optional)
Insulated jacket	BGA36-IJS (optional)
Insulated jacket (with storage accessory unit)	BGA42-IJS (optional)
On cart grill cover	ACC-36
Optional cart mount	CAD1-36E

#### Burners

Number of U-burners	3
---------------------	---

#### Cooking Surface Area

Primary cooking area	630 sq.in.
Total cooking area	871 sq.in.
Warming rack area	241 sq.in.

#### Features

- Double sided Stainless Steel grilling grates
- Full surface searing
